

It's Just Fun  
to Be Here!

The Fair is a  
magical place for  
children.

Spinning demonstration

Many of our crafts demonstrators will especially delight children who can help make a pot or a candle, tool a leather bracelet, try their hand at grain pointing and much more.

Children may be enchanted by a magician, mesmerized by a mime, sit at the feet of a storyteller, dance to the music on the outdoor stage, or ride in a country wagon filled with hay and pulled by an ancient tractor.

Older children will learn about life in a Civil War camp, see the Fife and Drum Corp marching, learn to shell corn, separate wheat from chaff, help create a dulcimer or watch a Nodder come to life—What's chaff? What's a Nodder?! Come to the Fair and find out!

# Waterford welcomes you.

## The Award Winning Waterford Fair Returns!

155 artisans, many of national recognition, will demonstrate techniques of traditional craftsmanship.

Federal brick houses, spacious Victorian homes, simple Quaker buildings and small log structures—gardens, barns, Civil War and Quaker cemeteries, an old mill and a one-room schoolhouse are open during the Fair.

Three floors of juried handcrafts for sale in a restored brick mill. Vintage barns and classrooms transformed into galleries for paintings, sketches, photographs and dried flowers. The Country Store offers baked goods, handblown glassware, the Waterford tote bags and more.

A Revolutionary War militia camps in Waterford. Fife and drum corps march through the narrow streets. Civil War soldiers reenact a past battle. And there will be music everywhere—string bands, troubadours, barbershop, gospel, symphony, folk, traditional, bluegrass.
